My dear Miss Freeman:

I very much hope you have had a chance to rest a little, and now find yourself settled down for the winter, in the manner expressed by you while here. We appreciate very much your splendid work in behalf of our people. I know appreciation should be expressed in more tangible terms, but there are times when such an expression is impossible. Personally, I am grateful for your kindness, and shall hope to be of some encouragement to you.

With kindest regards and high esteem, I am

Yours very truly,
