

I have been to several of the Working Girls Club Assns and find they have all disbanded their activities till Fall. I am trying to get the Y.H.B's to do something for the Fourth. They are all going on vacations, and for the moment have lost heart.

Wednesday I hope to get several to go with me during the noon rush, up B'way and down 5th Ave. Tuesday eve. I have the open air meetings one at Columbus Circle and one at Washington Park.

These are my own meetings. I find at the other Suffrage Society's meetings, they all have their own paper to sell.

I will be awfully glad if you have any suggestions to give.

By the way, did you send Elsie Mackenzie the maps of Mass and Conn.? She was going to get out a route. I have sent her N. J., Penn, & Ohio. Her address is to Mr Miller
567 Jarvis St. Toronto.

Seems strange not to hear from you. Hope you are well. NYC is so hot life seems hardly worth living.

Faithfully

Elizabeth Freeman

The Treasurer is to settle up for 500 of the 1000 papers we had last. Please let me know if we pay only for papers sold or for all on order?
